RATE ADJUSTMENT DUE TO EXTRAORDINARY
OR EXCEPTIONAL CIRCUMSTANCES

Docket No. R2013-11

**UNITED STATES POSTAL SERVICE NOTICE
OF REVISIONS TO USPS-R2010-4R/7, USPS-R2010-4R/11,
AND USPS-R2010-4R/NP1 -- ERRATA**
(October 25, 2013)

On September 26, 2013, the Postal Service filed its renewed Request for Exigent Relief, which was docketed by the Commission as Docket No. R2013-11. The Postal Service hereby provides notice of minor changes to three folders (USPS-R2010-4R/7, USPS-R2010-4R/11, and USPS-R2010-4R/NP1), all associated with the Nickerson Statement. Folders 7 and NP1 present the public and non-public versions, respectively, of the Product Cost and Contribution Estimation Model (PCCEM). The PCCEM changes revise an incorrect distribution key for FedEx contract savings, and also correct errors in the Final Adjustments, mostly relating to domestic Insurance. Folder 11 presents the Calculation of Lost Contribution from Recession-Related Volume Losses, and the change is to fix a unit contribution figure incorrectly transcribed from the FY12 ACD for Standard Mail Non-Flat Machineables and Parcels. While the effects of these changes are not entirely trivial, they are minor, and none affect any rates or have any material effect on either the need for or the explanation of the exigent increases. Folder 11 consists essentially of a Preface and a single Excel file, and in the Excel file, tabs with changes are highlighted in yellow, and within those tabs, the cells that change

are also highlighted in yellow. Folders 7 and NP2 are much more complex, and the changes are described at the end of the revised Prefaces. The cumulative effects of these revisions are perhaps best understood in the context of the consequent revisions to the Attachments to the Nickerson Statement, regarding which a separate notice is filed today. .The minor lost contribution revisions also flow through to the Exigent Request document, and a separate notice regarding that will be filed shortly.

For each folder, a new CD accompanies this filing, and those revised disks completely replace the original disks for USPS-R2010-4R/7, USPS-R2010-4R/11, and USPS-R2010-4R/NP1.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
